

QA INTERVIEW ACCELERATOR

Module 2 Assignment — Your QA Career Story

Assignment brief: scenario, deliverables, steps and how your work is assessed.

About this assignment

The opening "tell me about yourself" sets the tone for the whole interview. You need a crisp, confident pitch and a clear way to position your experience.

What you'll demonstrate

- Deliver a structured 60–90s pitch
- Position your experience around evidence
- Frame transferable skills as QA value

What to submit

- Your "tell me about yourself" pitch (Present→Past→Future)
- A note on what you improved after recording yourself

Step-by-step

1. Draft your pitch using Present→Past→Future
2. Lead with concrete things you have built
3. Record yourself and time it under 90 seconds
4. Trim and refine

Submission format

Submit as a PDF or DOCX (the written pitch plus your reflection).

How your work is assessed

If a QA lead reviewed this, they would look for:

- A structured, concise pitch
- Concrete evidence (portfolio/artefacts)
- Transferable skills framed as QA value

Templates & resources to use

- "Tell Me About Yourself" — Elevator Pitch Template — find it in the Resource Vault.

INSIDE STLC PRO TIP

The interviewer decides how the conversation feels in your first 60 seconds — a calm, structured pitch buys goodwill for everything after.
