

QA INTERVIEW ACCELERATOR

Module 7 Assignment — CV, LinkedIn and Job Applications

Assignment brief: scenario, deliverables, steps and how your work is assessed.

About this assignment

You are ready to apply. Your CV and LinkedIn need to get you found and make a strong first impression, and your applications need to be tailored and tracked.

What you'll demonstrate

- Write an achievement-led QA CV
- Optimise LinkedIn for recruiter searches
- Tailor and track applications

What to submit

- Your updated QA CV
- Your LinkedIn headline and About text
- 10 target job titles and your portfolio link
- An application tracker set up

Step-by-step

1. Write a sharp CV summary and achievement bullets
2. Optimise your LinkedIn headline and About with keywords
3. List 10 target roles and link your portfolio
4. Set up a simple application tracker

Submission format

Submit as a PDF or DOCX (CV) plus your LinkedIn text and target list.

How your work is assessed

If a QA lead reviewed this, they would look for:

- Sharp summary and skills up top
- Achievement bullets with outcomes
- Portfolio linked; consistent CV/LinkedIn
- Proofread — no typos

Templates & resources to use

- QA CV / Résumé Template — find it in the Resource Vault.
- LinkedIn Profile Optimisation Guide for Testers — find it in the Resource Vault.
- Job Search Tracker Template — find it in the Resource Vault.

INSIDE STLC PRO TIP

A reviewer scans the top third first — put your strongest, most relevant content there, and proofread relentlessly.
